If you have any queries regarding your results you **must** contact your IB coordinator or a school representative. The IB will **not** discuss results with candidates, or their parents. Results will not be given to coordinators or any other person by phone.

An "N" grade indicates that no grade will be issued. This can be for a variety of reasons: for example, you may have withdrawn, failed to submit work for assessment or are guilty of malpractice.

A "P" grade indicates that information required to award a grade is incomplete. You should contact your IB coordinator for further information.
